1.5 Document Submission

All mandatory documents must be submitted **through the official admission process as instructed by the Institute.** Failure to submit required documents within the stipulated timeframe may result in an administrative hold on the student's enrollment.

Note : *The Institute reserves the absolute right to modify, suspend, or discontinue any course, batch schedule, trainer assignment, or curriculum structure at any time without prior notice, in order to maintain academic and operational standards.*

SECTION 02 — ENROLLMENT POLICY

2.2 Enrollment Confirmation

The Enrollment Confirmation email containing the student's complete academic record will be sent to the registered email within 24 hours of admission processing. All details must be verified within **48 hours** of receipt. Discrepancies not reported within this window will be treated as confirmed.

Approval of course transfer is not guaranteed and will depend on academic feasibility.

SECTION 03 — ADMISSION HOLD POLICY

3.1 Definition of Admission Hold

An **Admission Hold is** a facility extended by RYMA ACADEMY that allows a newly admitted student to defer the commencement of their program to a future batch, without forfeiting their admission or requiring immediate re- enrollment. This is distinct from an Enrollment Hold (which applies to active students) and applies specifically to students who have been admitted but have not yet commenced their program.

3.2 Admission Hold — Free Period

A student who wishes to place their admission on hold may do so without any charge for a period of up to **6 (Six) calendar months** from the date of original admission. During this hold period, the student's admission and all associated fee payments remain valid and preserved.

Admission Hold up to 6 months from the date of admission: NO CHARGE. The student's seat and fee credit are fully preserved during this period.

3.3 Conditions of Admission Hold

- The Admission Holdrequestmustbe submitted in writing to services@rymaacademy.com before the originally assigned batch commences.
- An Admission Hold can be requested only once per enrollment. A second hold on the same enrollment is not permitted.
- The hold period is fixed at a maximum of 6 months. It cannot be extended beyond this limit under any circumstance.
- During the hold period, the student has no access to classes, LMS, materials, or any Institute resources.
- The hold period does not count towards program duration or attendance.
- RYMA ACADEMY reserves the right to decline a hold request if the student has already commenced the program.

3.4 Expiry of Admission Hold

If a student does not resume their enrollment within 6 months of placing their admission on hold, the Admission Hold will automatically expire. Upon expiry, the original admission will be treated as cancelled and the student will be required to complete a full **Re-Admission process** as described in Section 04. No credit or adjustment of previously paid fees will be applicable at the time of re-admission, unless specifically approved in writing by the management.

Admission Holds that are not acted upon within 6 months will expire automatically. RYMA ACADEMY will not send reminders prior to expiry. It is the student's sole responsibility to track the hold period and resume enrollment before the 6-month deadline.

SECTION 04 — RE-ADMISSION POLICY

4.1 When Re-Admission Applies

Re-Admission is required in the following scenarios:

- The student's Admission Hold has expired (i.e., 6 months have lapsed without resumption).

- The student has voluntarily withdrawn from the program after commencement.
- The student's enrollment has been cancelled due to non-payment, conduct violation, or policy breach.
- The student wishes to re-join RYMA ACADEMY after a gap of more than 6 months from their original admission date.

4.2 Re-Admission Process

Re-Admission is not automatic. The student must apply afresh through the standard admission process, subject to seat availability in the desired program and batch. RYMA ACADEMY reserves the right to accept or decline any re- admission application at its sole discretion.

4.3 Fee Treatment on Re-Admission

Upon re-admission, the student will be subject to the fee structure applicable at the time of re-admission. Previously paid fees are generally not transferable or adjustable against re-admission fees unless a specific written approval is granted by the management on a case-by-case basis.

Re-Admission does not guarantee re-in-statement of any previously assigned batch, Schedule, counsellor, or fee concession. All terms are reset fresh at the time of re-admission.

4.4 Re-Admission Administrative Charge

A Re-Admission administrative processing charge of RS 1000 will be applicable at the time of re-admission. This charge is separate from and in addition to the program fee, and is non-refundable under all circumstances.

SECTION 05 — FEE & PAYMENT POLICY

5.1 Fee Obligation

All course fees applicable to the enrolled program must be paid in full, or as per the installment schedule agreed upon and documented at the time of admission. No fee structure is valid unless confirmed in the Official Fee Receipt issued by RYMA ACADEMY.

5.2 Fee Non-Transferability

Fees paid are non-transferable between programs, batches, or campuses unless specific written approval is granted by management. Any concession, scholarship, or discount applied at admission is valid only for the specified batch and program and is not transferable.

5.3 Fee Revision

RYMA ACADEMY reserves the right to revise program fees at any time. Such revisions will not apply retroactively to students already enrolled at a confirmed fee, provided all installments are paid on schedule.

Note : *All fees paid to the Institute are strictly non-refundable and non-transferable under any circumstances once the admission process has been completed.*

The Institute shall not be liable for any refund requests arising from personal reasons, change of interest, relocation, scheduling conflicts, or dissatisfaction with training methods.

SECTION 06 — EMI & INSTALLMENT POLICY — LATE PAYMENT CHARGES

6.1 EMI / Installment Facility

RYMA ACADEMY offers an installment-based payment facility (EMI) to eligible students, subject to approval at the time of admission. The student is solely responsible for ensuring timely payment of each installment without any reminder from the Institute.

6.2 Installment Due Dates

Each installment is due strictly on the date specified in the Fee Receipt or the agreed payment schedule. RYMA ACADEMY does not send advance reminders or follow-up notices for upcoming installments. Non-receipt of a reminder does not exempt the student from their payment obligation.

LATE PAYMENT CHARGE: A Late Payment Administrative Charge of ₹100 per calendar day will apply on overdue installments. However, the total late payment charge shall not exceed the amount of the overdue installment unless the default continues beyond 60 days.

6.4 Enrollment Hold on EMI Default

If any installment remains unpaid for more than **3 calendar days** beyond the due date, an automatic **Enrollment Hold** will be placed on the student's account. All access to classes, LMS, materials, OJT, and Institute resources will be suspended until the overdue installment and all accrued late payment charges are cleared in full.

6.5 Cancellation on Prolonged EMI Default

If an installment remains unpaid for a continuous period of **30 calendar days** from the due date — inclusive of all accrued late payment charges — RYMA ACADEMY reserves the right to cancel the student's enrollment entirely. No refund of any previously paid amount will be applicable upon cancellation due to EMI default.

If an online or UPI payment is debited from the student's account but not received by RYMA ACADEMY, the student must report this within **24 hours** with transaction proof. Until the matter is resolved and funds are confirmed received, the payment will not be treated as made. The resolution may take 5–7 working days. Enrollment Hold applies during this period.

Upon commencement, program fees become non-refundable as they represent seat reservation, administrative processing, academic planning, and faculty allocation costs. LMS access is a value-added facility provided to students upon course completion.

12.4 LMS Activation Charge & Coupon Code

LMS access assignment carries a nominal **LMS Activation Charge of RS 14 (Fourteen Rupees Only)** per assignment. This charge is payable by the student at the time of LMS activation. The purpose of this charge is to serve as a formal activation confirmation — ensuring that the student actively acknowledges and requests access, rather than access being assigned without the student's awareness.

Why RS 14 with a Coupon Code?

RYMA ACADEMY operates on the principle that every enrolled student who has completed their program must proactively confirm their LMS access request. The coupon code is a digital confirmation mechanism — it confirms the student's identity, their program completion status, and their intent to access the LMS. This protects the student from unauthorized access and ensures only verified, course-completing students receive LMS credentials. The Rs 14 charge is purely a nominal processing fee and is non-refundable.

12.5 Coupon Code Validity

Each LMS activation coupon code issued to a student is unique, single-use, and non-transferable. Expired or used coupon codes will not be reactivated. In the event of a lost or expired coupon code, the student may apply for a replacement coupon at an administrative charge of 10 RS .
